Camelot sales for March 2018

National Lottery ticket sales during March totalled £504.6 million – down £13.7 million versus the equivalent period last year. This was driven primarily by a decrease in sales on Lotto, which benefited from a high rollover series during the same time last year.

Below are total weekly sales of all National Lottery games for March 2018:

Week ending	Total Sales
03 March 2018	£121.9m
10 March 2018	£129.3m
17 March 2018	£127.3m
24 March 2018	£126.1m
