Notes to Editors:

- Each week, Camelot generates, on average, around £30 million for National Lottery-funded projects. Over £38 billion has now been raised for National Lottery Good Causes and more than 535,000 individual grants have been made across the UK – the biggest programme of civic and social regeneration since the 19th Century.
- The National Lottery has so far given away over £67 billion in prizes and created more than 5,000 millionaires or multi-millionaires since its launch in 1994.
- Camelot runs the most efficient major lottery in Europe, with around 4% of total revenue spent on operating costs.
- Camelot is committed to the highest standards in player protection and social responsibility in both the retail and interactive environments. The National Lottery website has been accredited by GamCare, the UK’s national centre for information, advice and practical help regarding the social impact of gambling – while Camelot’s

approach to game design, test purchasing and retailer vigilance campaigns ensures player protection in retail.
